The human heart has sought meaning and thirsted for God in the face of the challenges of everyday life throughout human history. We can respond to this quest by embracing the Gospel of Jesus Christ which is life giving and renewing. Christ's message of two thousand years ago is fresh and alive for today's seeker. Our mission will proclaim the Good News of Jesus Christ to those who thirst for God and meaning today.

Father Raphael D. Bonanno, OFM, a Franciscan Friar from Arch Street Shrine will lead our Mission. Father Bonanno will devote each evening of the Mission to a particular theme of the Good News of Jesus Christ: **Sunday, *Anointing*; Monday, *Reconciliation and Forgiveness*, and Tuesday, *Eucharist: The Bread of Life***. There will be a social in the Parish Center on the final evening of the Mission.
